# FoodTech solutions to improve your business competitiveness

Welcome to the Foodtech 6.0 revolution! Food 4 Future - Expo Foodtech is a unique event where innovation, sustainability and digitalization converge to shape the future of the food industry.

In recent years we have witnessed the Foodtech revolution. Technology and science have come together to create new food and beverage standards. Food 4 Future 2024 proposes to take a step further. We are heading towards Foodtech 6.0, a revolution that will mark a turning point in the food industry.

Digitalization has become a key element for the food industry. Artificial intelligence, big data, the Internet of Things (IoT) and other disruptive technologies are transforming the way we produce, distribute and consume food. The opportunities are endless, from process optimization to product customization to meet changing consumer demands.

Sustainability is an urgent need, and at Food 4 Future - FoodTech Expo, we will bring together the initiatives and solutions that are driving the food industry towards more environmentally and resource-responsible production.

Consumption habits are changing, and with Foodtech 6.0, we will explore the emerging trends, from the rise of plant-based foods to the quest for a healthier, more personalized diet. Food 4 Future is the ideal place to learn about these trends and adapt to them.

We invite you to be part of the Foodtech 6.0 revolution. Present your products and services. Together we will demonstrate how technology, sustainability and innovation are transforming our industry. Don't miss it!

PACKAGING 4.0 CONGRESS

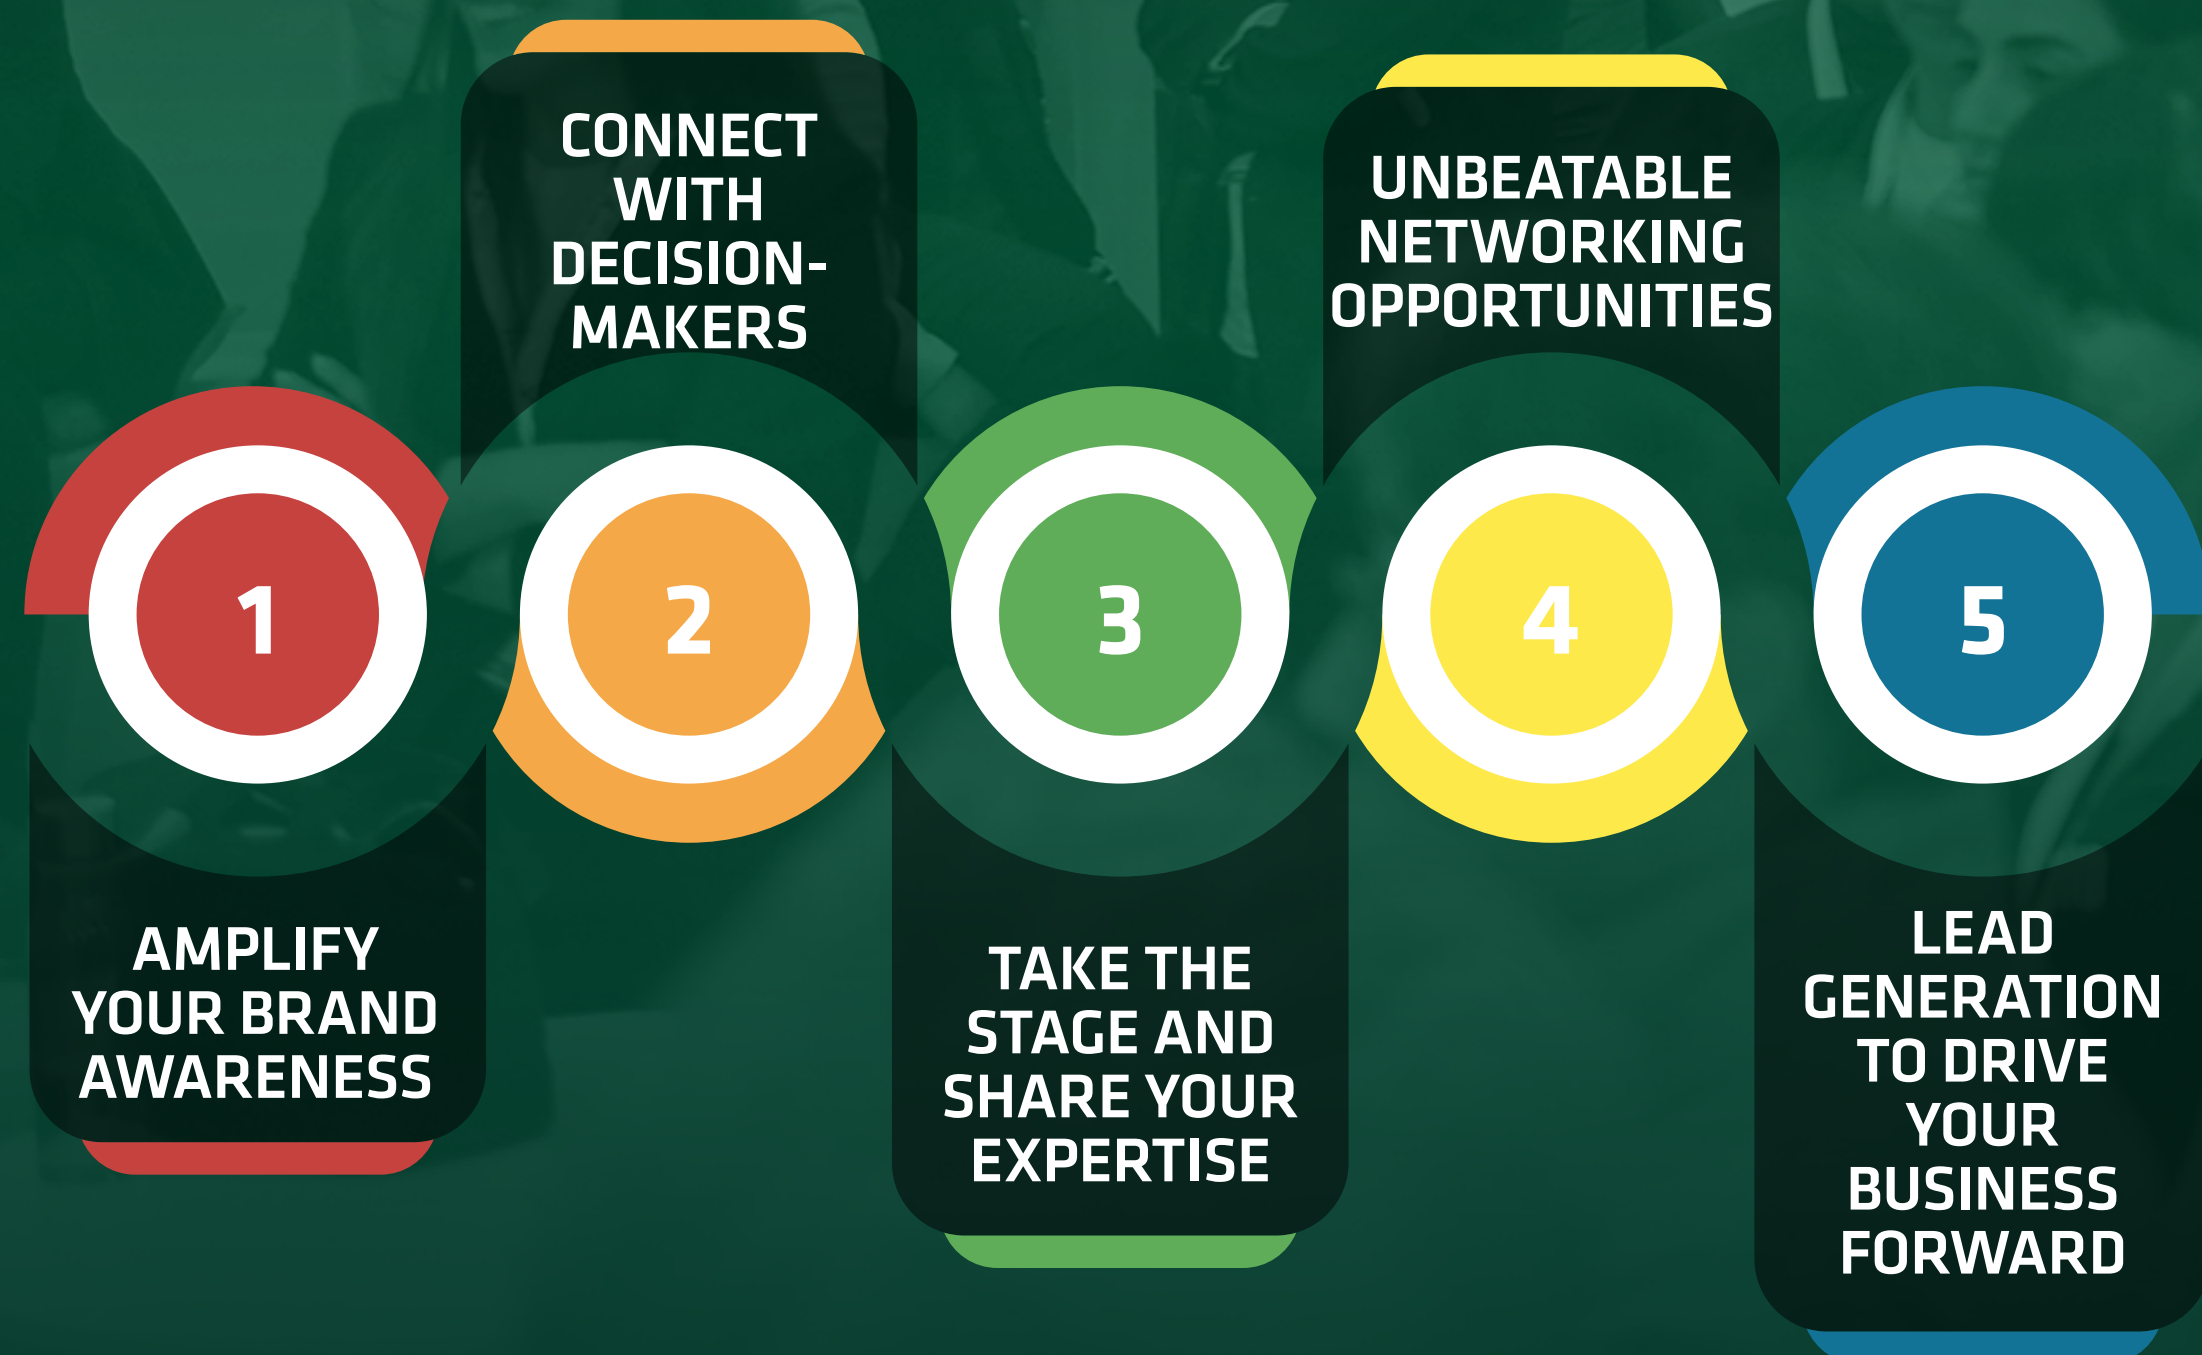

# An event dedicated only to innovative companies

Participate in the leading event on Food Technology Innovation, and connect with your target to become the leader that guides companies in the digital transformation of their businesses, and the improvement of their competitiveness.

If you are one of them, here we present 5 powerful reasons not to miss this great opportunity for your business:

## PARTICIPATION OPTIONS

### PARTNER

The best option is to show your leadership in the sector and stand out from the competition. Locate your booth in the best area of the expo, gain the maximum visibility, participate in the congress, and invite your best clients and prospects, amongst many more activities.

### EXHIBITOR

Present your products and solutions to thousands of potential buyers in the expo zone. Choose between Premium Zone to enjoy the major traffic to your booth, or Business Zone to economize your investment.

### NEWCOMER

We know how difficult beginnings are. That is why we offer a "Turnkey Pack" so you can participate in the most innovative event in the sector, with the minimum investment.
